UNLIMITED COACH THE COACH SUPPORT

Progress Coaching provides unlimited access to our platforms allowing students in the moment support and assistance with specific coaching scenarios they encounter in their real worlds.

1-ON-1 COACHING SESSION

You have a choice of a quarterly or monthly coaching session with a certified Progress Coach. The sessions are specific to the needs of each person and the progression is a combination of practice and planning sessions in the following order: practice, planning, practice, planning

PLAN COSTS

\$1,995

24 1-on-1 Coaching Sessions = 2/Mo

\$1,695

12 1-on-1 Coaching Sessions = 1/Mo

\$995

4 1-on-1 Sessions = 1/Quarter

While working with Tim Hagen and the Progress Coaching system at InPro Corporation, I learned why coaching is an important component of becoming a successful manager. So much of what I discovered was based in positive communication practices and it appeared that coaching was one of those skill sets where you never reach your zenith. It is a practice of continuous improvement. Our company has thrived during the Great Recession when so many companies tried to survive and Progress Coaching was and is a major contributor to our success.

Dave Stevens

Director of Coaching and Development at InPro Corporation
